

Aloha and Welcome to IIE

From the heart of Waikiki's beach and shopping district, IIE warmly welcomes you! For over 30 years, our independently-owned, ACCET accredited school has assisted English learners from around the world. At our convenient location, you will quickly feel like family and receive the helpful personal attention you want. We provide varied, high-quality study programs designed to help you improve your English ability and prepare you with the skills you need for a successful future. IIE will be your gateway to a uniquely Hawaiian experience that you will always remember.

Great Teachers, Great Study Options

Diverse class options, university bridge courses, and personal attention from highly experienced teachers will give you what you need to move ahead. Our high international ratings, solid reputation and ACCET accreditation inspire confidence.

Total English Culture

A full daily activity schedule, strict English-ONLY policy, diverse international mix of students and a communication-based philosophy will together help you move to a higher level in your English ability.

All the Help You'll Need

IIE's helpful staff will be available to assist you with housing, travel information, questions about life in Hawaii, or personal matters.
