HONDA INTERNATIONAL CENTER

Aloha and Warm Hawaiian Greetings

Aloha mai kākou! (Aloha to everyone!)

As one of the ten campuses of the University of Hawai'i system, Kapi'olani Community College empowers all learners to achieve their personal, educational, and career goals. Situated at the foot of Honolulu's majestic Lē'ahi ("Diamond Head"), our college is committed to teaching, learning, and practicing Hawaiian values and culture. Once you join our campus community, you will quickly see how we honor the 'āina ("environment"), 'ōiwi ("indigeneity"), and the legacy of Queen Kapi'olani while having a global perspective in our teaching and learning.

At Kapi'olani Community College, you will have many high-quality academic programs to choose from, all taught by outstanding educators. Many of our classes will involve you in immersive experiences such as internships, and your international background will bring value to your fellow students. After graduating from us, you will have the ability to transfer to a university to successfully complete a bachelor's degree and beyond.

Our student support professionals, including those at Honda International Center, will provide you with the guidance and resources to achieve your goals. Our diverse communities of Hawai'i on- and off-campus will offer you exciting experiences and a safe living environment. We look forward to welcoming you to our campus 'ohana ("family")!

College Prep Classes | Tuition Cost: \$4,845

College Prep is a three-course, one-semester academic English program for students whose English level is ready for pre-admission to Kapi'olani Community College (KCC). Students who successfully complete the more than three-hundred hours of coursework in the one-semester program are admitted to the College and granted access to the College's placement tests and credit classes.

The Intensive Program consists of three courses: ESOL 50, ESOL 52, and IS 54:

ESOL 50: Meets daily, Monday through Thursday, for approximately two hours each day.

ESOL 50 is an exploration of the civil rights in the United States. You will learn how to analyze characters in films, and you will acquire information about U.S. social and cultural history, as you develop your academic vocabulary and grammar, and learn how to communicate clearly and accurately by writing papers and doing presentations.

ESOL 52: Meets daily, Monday through Thursday, for approximately two hours each day.

ESOL 52 is a partner class to ESOL 50 in which you continue to deepen your understanding of U.S. culture and the history of the Civil Rights Movement by reading and doing research. Similar to ESOL 50, you will be developing your academic English skills through in-class interactions and presentations, and by writing and revising papers.

IS 54: Meets on Friday for approximately one hour, with additional special meetings three times per semester.

IS 54 serves as an introduction to college for first year International students concurrently enrolled in ESOL 50 and 52. You will continue to develop your English, with a focus on grammar and vocabulary, as you participate in classroom interactions and learn about colleges and universities in the U.S., with particular emphasis on Kapi'olani Community College and the University of Hawai'i at Mānoa. You will also consider the purpose of education and develop a personal academic plan.

Aloha,

You will probably see us often at the Honda International Center, which serves all the international students. Hawai'i is the best place to learn not only English, but also about the unique cultures represented here in the islands. When you graduate from here, it is our desire that you take a piece of Aloha back to your home country and share it with others. We look forward to meeting you at Kapi'olani Community College in the near future! Mahalo!
